VERSE 1:

Are you tired of this Day?
Have you tried to just lay
Your head on the pillow and rest.
I have not sent a Fire down to calm you
I've only got this Simple song
That I wrote you

CHORUS:

The Light In The Dark
Conquers the pain
The Light In The Dark
Shows you the way

VERSE 2:

Open your eyes little Sunshine
A new day has come for you
Comforting & Sane
If this gets rough than It's only you to blame

CHORUS:

The Light In The Dark
Conquers the pain
The Light In The Dark
Shows you the way

BRIDGE:

Sleep Darling, Sleep
Sleep Darling, Sleep
A New day Arose for You.

EXITLUDE:

But when We Discover the Truth
It lies awake In me!

They say Life made sense back there
You've gotta live It here

As young as your Confidence
As Old as your fear
Oh...
