#### VERSE 1:

Hey Johnny!  
Where have you been lately?  
With my hands untied  
I'm going stronger again  
So please rewind  
And stop killing time

#### CHORUS:

White Hearts  
Burning Hearts  
Burning Horses  
Flaming courses  
Some kind of Separation  
In Love with The Idea of Love

#### VERSE 2:

I think I would reather thank myself  
Than giving up on all I've come to be  
This Is where I've come today  
This Is Who I've come to see  
I haven't really found myself  
I haven't really pictured me  
How can I be sure of this?  
When I am just a simple fear...

#### CHORUS:

White Hearts  
Burning Hearts  
Burning Horses  
Flaming courses  
Some kind of Separation  
In Love with The Idea of Love
