"I Fade Away"

I cry, I dwell in darkness
My comfort is nothing
Repulsive reality
How I pray to escape but I

Fade away and disarm my faith
Fade away and disarm my faith

My trials murder my hope
To hold on is to inject pain
My heart is cold
How I pray to escape but I

Fade away and disarm my faith
Fade away and disarm my faith

Am I designed to suffer
A damaged creation?
The torment existence
I fade away

I fade away

Am I designed to suffer
A damaged creation?
The torment existence
I fade away

Fade away and disarm my faith
Fade away and disarm my faith
Fade away and disarm my faith
