Turn around, Every now and then I get a little bit lonely  
and you're never coming round  
Turn around, Every now and then I get a little bit tired  
of listening to the sound of my tears  
Turn around, Every now and then I get a little bit  
nervous that the best of all my years have gone by  
Turn around, Every now and then I get a little bit  
terrified I see the fuckin look in your eyes  
Turn around bright eyes, every now and then I fall  
apart  
Turn around bright eyes, fuckin every now and then I  
fall apart

And I need you now tonight  
I fuckin need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all the time  
Shit I don't know what to do I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
For-fuckin-ever's gonna start to...

Once upon a time i was falling in love  
Now I'm fuckin falling apart  
Nothing I can say  
A total eclipse of the heart

O Jesus once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

Total eclipse of the... X 10 (turn around bright eyes)  
A total eclipse of the heart  
Total Eclipse!
