Namida no kiri wa gensou
Boyaketeyuku ashi ato
Oikakete no ude wa todokanai

Kimi no hoho ni furetai
Kimi no koe ga kikitai
Subete fui no maboroshi na no ka?

Ima mo tomatta mama no
Keshiki no naka de
Hana wa nemutteiru

Shiroku hosoi kata dakishimete
Futari de toketeitai
Yureru kokoro basha no you de odorasareteshimau
Awaku gensou no naka ni saku
Azayakana hana ni
Sukoshi madowasareta dake

Sobietatsu kigi no naka
Mukai kaze ga tsumetai
Mune no oku de sasayaku kotoba ni yurate
Doushite kono basho de?
Doushita kono jidai ni?
Umaretekita unmei na no ka?

Hirogaru genei no naka ni
Egaita futatsu no seiza wo tsunaide

Mune ga kurushiku naru dake
Konna ni kotoba ga furueru
Nandomo kanashimaseta kedo
Kimi ga, ah, itooshikute

Ah, Ima mo futari wa ano hi to onaji
Kooritsuita mama, kowasanaide!

Shiroku hosoi kata dakishimete
Futari de toketeitai
Yureru kokoro basha no you de odorasareteshimau
Awaku gensou no naka ni saku

Azayakana hana ni
Sukoshi madowasareta dake

Hateshinaku shiroi sekai kara
Futari ga kiete shimaou
Yureru kokoro basha ni no sete
Mawarezome ni kae

Yagate kuru haru no kaori sae
Tsureteyukeru kara
Kimi no yasashii egao de
Sukoshi madowasareta dake
