Raise! Singing bat! Koumori ga utau  
Rage! A burning rose! Bara o moyashi  
Hone o tatakiodore!

Raise! A burning bone! Utage ga hajimaru  
Laugh! Shadow of death! Kage ga warau

Yami to jubaku no naka taimatsu o kakage  
"Kieta shounentachi" no yuugi wa gishiki e

Aruji no moto de hone o tatake  
Koumori tachi no uta ni nosete

Raise!  
Come here! Come here!  
Right now!  
Raise!  
Come here! Come here!  
(X2)

Sora ni haka o tsukuri taiyou o korose  
Yami to shounen no tawamure wa gishiki e

Aruji no moto de hone o tatake  
Koumori tachi no uta ni nosete

Raise!  
Come here! Come here!  
Right now!

(English)

Raise! Singing bat! A bat sings  
Rage! A burning rose! Burn a rose  
The bones make the minced meat dance!

Raise! A burning bone! A feast begins  
Laugh! Shadow of death! The shadows laugh

Inside of darkness and curses a torchlight is carried  
The game of "The Vanished Boys" goes to the  
ceremony

Below the lord the bones clap  
Carried by the song of the bats

Raise!  
Come here! Come here!  
Right now!  
Raise!  
Come here! Come here!  
(X2)

We make up a grave for the sky and kill the sun  
The game of the darkness and the boys goes on to the  
ceremony

Below the lord the bones clap  
Carried by the song of the bats

Raise!  
Come here! Come here!  
Right now!  
Raise!  
Come here! Come here!  
(X2)
