Wake up in the morning feeling like P Diddy  
Put my glasses on Iâ€™m out the door  
Iâ€™m gonna hit this city (Let's go)  
Before I leave brush my teeth with a bottle of Jack  
Cause when I leave for the night I aint coming back  
Iâ€™m talking - pedicure on our toes toes  
Trying on all our clothes clothes  
Boys blowing up our phones phones

Drop-topping playing our favorite cds  
Pulling up to the parties  
Trying to get a little bit tipsy

[CHORUS]  
Don't stop make it pop  
DJ blow my speakers up  
Tonight Ima fight  
Til we see the sunlight  
Tick tock on the clock  
But the party donâ€™t stop no

Whoa-oh oh oh  
Whoa-oh oh oh

[Chorus]

Aint got a care in world but got plenty of beer  
Aint got no money in my pocket but Iâ€™m already here  
And now the dudes are lining up cause they hear we  
got swagger  
But we kick em to the curb unless they look like Mick  
Jagger  
Iâ€™m talking about - everybody getting crunk crunk  
Boys trying to touch my junk junk  
Gonna smack him if he getting too drunk drunk  
Now now - we goin til they kick us out out  
Or the police shut us down down  
Police shut us down down  
Po-po shut us -

[Chorus] x 2

DJ you build me up  
You break me down  
My heart it pounds  
Yeah you got me  
With my hands up  
You got me now  
You gotta that sound  
Yea you got me  
DJ you build me up  
You break me down  
My heart it pounds  
Yeah you got me  
With my hands up  
Get your hands up  
Put your hands up  
No the party don't stop until I walk in

[Chorus] x 2
