Don't ever tell me that you don't belong,  
These endless doors they open,  
For those with the will, to search for the kill

Now you're breaking,  
When the mirror you hold isn't giving back what you  
want, This is the real  
World,  
And I wish you could see it through my eyes

Cause it's time to celebrate yourself,  
So don't try to be somebody else,  
Cause you can't change the world,  
Celebrate yourself

Now time ain't slowing down for anyone,  
So turn your sad songs to rock and roll  
Keep up, keep up, don't slow down for anything

Now you're breaking,  
When the mirror you hold isn't giving back what you  
want, This is the real  
World, this is the real world  
Now you're breaking,  
When the mirror you hold isn't giving back what you  
want, This is the real  
World,  
And I wish you could see it through my eyes.

Cause it's time to celebrate yourself,  
So don't try to be somebody else,  
Cause you can't change the world,  
Celebrate yourself

Cause the only divide between us all,  
Is the line that exists,  
Between the good and the bad,  
Between the good and the bad

Cause it's time to celebrate yourself,  
So don't try to be somebody else,

Cause you can't change the world,  
Celebrate yourself,  
Celebrate yourself,  
Ccause you can't change the world,  
Celebrate yourself.
