Blood, Fire, War, Hate
It's everywhere, it's in their fate
Blood, Fire, War, Pain
Everybody's going insane
Blood, Fire, Hell, Heaven! AK47!
Blood, Fire, War, Hate
It's all around it's in your face

Blood, Fire, War, Hate
The world is hostage no escape
Blood, Fire, War, Thunder
The whole world under murder!
Blood, Fire, War, Hate

Retaliation without end
Blood, Fire, War, Hate
Will it ever end?

Blood! Fire! War! Hate!

Blood, Fire, War, Hate
Entering the final phase
Blood, Fire, War, Kill
Ritual, blood spilled
Blood, Fire, Black Death
Under the sign of the black flag
Blood, Fire, War, Dust

Confrontation is a must

Blood fuels the prophets of destruction
Blood staining their profiles from corruption
Fire is all-consuming never ending
Flames burn eternal never ending
And these war pigs deliver all their madness
War criminals thrive on death and sadness
Hate breeds, Hate breeds
Whoa blood fire war hate will never end

Blood! Fire! War! Hate!
