You are the enemy  
You are the enemy ghost  
Unleash within  
I turn you soul to dust  
You are the enemy  
You are the enemy ghost  
The Oath is broken  
I'll take  
And crush your world

You are the enemy  
You are the enemy ghost  
Declare war  
I turn your soul to stone  
You are the enemy  
You are the enemy ghost  
The fear killer  
I fucking stand alone

I'm calling all the spirits  
In this ritual killing  
I'm calling all the spirits  
Rise above and rise within  
I'm calling all the spirits  
In darkness we scream  
I'm calling all the spirits  
Rise above and rise within

I'm calling all the spirits  
Killing instincts  
I'm calling all the spirits  
Rise above and rise within  
I'm calling all the spirits  
Sacrifice all things  
I'm calling all the spirits  
Rise above and rise within

You are the enemy  
You are the enemy ghost  
In Desolation  
But were never alone  
You are the enemy

You are the enemy ghost  
The world is exploding  
Their souls are burning
