Now...

Frustration turning, turning around  
All the barriers unbound  
Stomping the feet, moving the ground  
Unexplained, it can't be found

Now...

Purity like the unborn  
Riding the storms  
Motivation comes from beyond  
The storms  
Enterfaith

Deeper and deeper in every way  
Enterfaith  
Penetrates the wound again  
Deep and deeper everyday  
Enterfaith  
Penetrates the wound again  
Enterfaith  
Now...

It's not what you see, it's what you feel  
You can not explain, but it's so real  
This is our fate, no one can kill

From birth, this has been sealed  
Now...  
Forever and ever without an end  
So I say  
Follow your heart, never pretend

The last will be first, it has been said  
Deeper and deeper in every way  
Enterfaith  
Enterfaith  
Penetrates the wound again  
Enterfaith  
Enterfaith  
Deep and deeper everyday  
Penetrates the wound again

Faith...On and on  
Faith...To carry on  
Faith...No transgression  
Faith...Is a weapon

Faith is a weapon
