Pressure building on my soul  
I ask god to take control  
Guide me through this fucked up world  
Conquer this fear spiritually  
Forever let it be into infinity

Against all odds we carry on  
Like we always did before  
Soulmate forever more  
I feel your presence every day  
It's so real in every way  
Give god thanks and praise

Just let my soul fly free  
And let me be the one god wants me to be (God wants  
me to be)  
Just let my soul fly free  
And let me see everything I'm supposed to see (I'm  
supposed to see)  
Just let my soul fly  
Just let my soul fly (Fly)  
Just let my soul fly free (Fly)  
Just let my soul fly  
Just let my soul fly (Fly)  
Just let my soul fly free

Pressure building on my soul  
I ask god to take control  
Give me guidance in this world  
Conquer this fear spiritually  
Forever let it be into infinity

Just let my soul fly free  
And let me be the one god wants me to be (God wants  
me to be)  
Just let my soul fly free  
And let me see everything I'm supposed to see (I'm  
supposed to see)  
Just let my soul fly (Free)  
And let me be the one god wants me to be (God wants  
me to be)  
Just let my soul fly free (Free)

And let me see everything I'm supposed to see (I'm  
supposed to see)  
Just let my soul fly  
Just let my soul fly (Fly)  
Just let my soul fly free (Fly)  
Just let my soul fly  
Just let my soul fly (Fly)  
Just let my soul fly free
