Fuel this hate and you'll never be the same again
Now I'm feeling again and again
Fuel this hate and you're living on the edge again
Just like we felt back then

Fuel this hate and you'll never be the same again
When you just don't give a damn
Fuel this hate and you're living on the edge again
I don't give a damn

Thrashing
Raging
Fighting
Screamin'

Thrashing
Raging
Fighting
Fuel the hate

Fuel this hate and you'll never be the same again
Now I'm feeling again and again and again
Fuel this hate and you're living on the edge again
Just like we felt back then

Fuel this hate and you'll never be the same again
When you just don't give a damn
Fuel this hate and I'm living on the edge again
I don't give a damn

Thrashing
Raging

Fuel the hate

Sometimes, suicide, genocide, suicide
I don't give a fuck if I live or die
Sometimes, suicide, genocide, suicide
I don't give a fuck if you live or die

Sometimes, crucified, terrorize, crucified
I don't care about this fucked up life
Sometimes, crucified, terrorize, crucified
I don't care about your fucked up life

Sometimes, suicide, genocide, suicide
I don't give a fuck if I live or die
Sometimes, suicide, genocide, suicide
I don't give a fuck if you live or die

Sometimes, agonize, open arms, agonize
Let the world burn tonight
Sometimes, agonize, sacrifice, agonize
If it's up to me, sacrifice

Fuel this hate and you'll never be the same again
Just like we felt back then
Fuel this hate and you're living on the edge again
Happiness, I don't understand

Fuel this hate and you'll never be the same again
There is no other way
Fuel this hate and I'm living on the edge again
Let them feel the pain

Um, dois, tres, quatro
Past the point of no return
Past the point of no return

Voce mata porque ja nasceu morto
Sangue morto, amaldiscado
Voce mata porque ja nasceu morto
Sangue morto, amaldiscado
