Clean the sins, be blessed within  
Look upon, St. Michael's wings

[Incomprehensible]

Can you feel?  
That this Armageddon is near  
Can you feel?  
The ancient prophecy ago reveal

Soldier of God, like it was before  
2,000 years, the lion roar

[Incomprehensible]

Can you feel?  
The final Armageddon is near  
Can you feel?  
The ancient prophecy ago reveal

[Incomprehensible]

Innerspirit, innerspirit, innerspirit  
Innerspirit, innerspirit, innerspirit  
Innerspirit, innerspirit, innerspirit  
Innerspirit, innerspirit, innerspirit

Wealth of their world  
Have no meaning if what's coming after  
Things of this world  
Have no meaning

Things of this world  
Have no meaning in what's coming after  
Things of this world  
Have no meaning
