In blood his victims will crawl
Body parts all over his house
They feed the need of his cannibal mind
Bloody murders he left behind

Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome

Psychologic interviews in jail
To understand this behavior, insane
Set him free, he'll do it again
A life dedicated to pain

Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome

Stalking victims through the night
Dismember every body part
Stalking, killing in the night
Consuming every body part

Stalking victims through the night
Dismember every body part
Stalking, killing in the night
Consuming every body part

Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
