Soulfly - Legions

Religions connected by the blood that we share  
We target we wander in this land of despair  
Are better in blood we carry to war  
We choose as leaders the killing field

Legions - God of war  
Legions - Killing you  
Legions - Let us fall  
Legions - March of doom

We protect destroy it smash them all  
The putrid carcass lay on the ground  
Slaughtered warriors bravest of all  
Dead bodies held up from my human wall

Legions - God of war  
Legions - Killing you  
Legions - Let us fall  
Legions - March of doom

Body Parts  
From the start  
The gates of doom  
Will open soon

Too late  
You're dead  
The gods of war  
Are Calling you

Legions - God of war  
Legions - Killing you  
Legions - Let us fall  
Legions - March of doom

Legions - God of war  
Legions  
Legions - Let us fall  
Legions - March of doom
