Visit "[Living Sacrifice](#)" on MotoLyrics.com

Feel your soul and let it travel all across the world
It's the journey not the destination as we know

It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice

It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice

Sometimes it feels like we can take no more
Have to find the strength, let the spirit overcome

It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice

It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice

Frustration, redemption
Salvation, motivation
Inspiration, no temptation
Redemption, salvation

Feel your soul and let it travel all across this world
It's the journey not the destination as we know

Sometimes it feels like we can bring no more
Have to find a home, let the spirit overcome

Learn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow

Learn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow
