Quilombo

This is a true story of a slaveman
Who fled his people from, from the white man
So I'll say that he showed me the way
To be brave, brave, don't be afraid

Zumbi his name, Quilombo his place
Our root you can never erase
Zumbi his name, Quilombo his place
Our root you can never erase

Thirty thousand Zumbi refugees
Fight the, fight the, the right to be free
Form the warriors, the masters of greed
Follow warrior, the warrior Zumbi

No more, no more, no more misery
No more, no more, no more slavery
No more, no more, no more suffering
[Incomprehensible]

Zumbi, Zumbi
Blow them away
Zumbi, Zumbi
Blow them away

Here we go, here we go, slave drums
Here we go, here we go, Quilombo
Time for war in the land of the sun
I know God never leave us alone
I know God never leave us alone
[Incomprehensible]

Zumbi, Zumbi
Blow them away
Zumbi, Zumbi
Blow them away
