Here we go, another day, another strike  
Here we go, it's the living sacrifice  
Here we go, against your bullshit ways  
Here we go, against your false pretend

Here we go, another day, another hour  
Here we go, take the back the power  
Here we go, I'd rather die on my feet  
Here we go, than keep living on my knees

Here we go, another day, another strike  
Here we go, jump da fuck up and fight  
Here we go, another place, another tribe  
Here we go, no, we won't take your bribe

Here we go, another day, another night  
Here we go, with this music unite  
Here we go, another freedom fight  
Here we go, God bless me inside

Seek 'n strike

Here we go, another day, another strike  
Here we go, it's the living sacrifice  
Here we go, against your bullshit ways  
Here we go, against your false pretend

Here we go, take back the power  
Here we go, I'd rather die on my feet  
Here we go, than keep living on my knees

Here we go, another day, another strike  
Here we go, it's time to react  
Here we go, yeah, we come full effect  
Here we go, attitude and respect

Here we go, another day, another night  
Here we go, protest and survive  
Here we go, yeah, Soulfly tribe  
Here we go, it's time to arise
