Bitch: Hey yo, fuck-ass JT, you 'round here tryin' to flauge,

your Clan ain't shit, fuck all y'all, ya eat pussy, bitch, fuck
you, ya smell stank, your breath shitty ...

Verse 1

[JT] Mic check, 1-2, I'm all that!
Punk bitch! So say that small rap
Talkin' that fuck-shit
'Bout ya don't like me, pussy hoe, suck dick!
Your motherfuckin' problem ain't hoe-hatin'
You're just mad 'cause yo' ass got straightened
But I don't give a fuck!
Hope you get hit by a truck, ya stank slut!
Tryin' to get fly!
Bitch, eat dick and die!
I ain't tryin' to play footsie
I got money, bitch, keep yo' stank pussy
'Cause that ain't shit!
I can get pussy or head from some other bitch
I'm representin' for my niggas
So, fuck you gold-diggers
You playin' niggas too close!
[Uzi] Yo, my niggas, man, let these hoes know!

6x:

{Fuck y'all hoes! Y'all ain't shit!
Y'all bitches need to start ridin' on a nigga' dick!}

Verse 3

[JT] A lot of y'all hoes is slimy
I've been tellin' y'all 'bout yo' ass since '90
But y'all hoes still buggin'
A lot of bitches fuckin' around on they husbands
Ask me, I know
I've been tryin' to tell these niggas 'bout y'all hoes

But some niggas don't listen
And them the same fuck-niggas that I be dissin'
I don't give a fuck about the next nigga
I diss hoes and I'm still they main sex figure
So now what's up?
You wanna be a hoe? Be a hoe! I don't give a fuck!
That's your motherfuckin' business
Just give me meat, and you can leave when you're
finished
See, I know how it goes
[Uzi] Hey, my niggas, once again, let these hoes know!

6x:

{Fuck y'all hoes! Y'all ain't shit!
Y'all bitches need to start ridin' on a nigga' dick!}

Verse 2

[JT] Y'all flaw ass bitches need to quit it
Y'all know y'all hoes, so go ahead and admit it!
Stop actin' all seditty! I ain't got no pity,
I'll punch yo' ass in the tittie, bitty
Yeah, bitch, you know me
Same nigga from last year, put a foot in yo' ass here
See, bitches know the flavor
I know it's In your Nature, but a nigga still hate ya
'Cause y'all hoes be trippin'
I ain't got shit for yo' ass but an ass-whippin'
Yeah, blame it on the Bitchizer
Hoes gettin' mad 'cause niggas gettin' wiser
See, I know how the game go'
That lover-boy shit played out with the Kangol
And for the niggas who livin' that way,
Better get yo' ass a motherfuckin' Poison Clan tape
And fuck them hoes who be frontin'
[Uzi] For the last time, y'all, tell these hoes somethin'!

8x:

{Fuck y'all hoes! Y'all ain't shit!
Y'all bitches need to start ridin' on a nigga' dick!}

*track stops, fellas shouting out sexist comments as
