Sometimes I don't
Want to face life
Sometimes I feel empty inside
But every moment is precious
And everyone will turn to dust

Dust myself up
And I scream at the sky
It's been so hard
But I can't let it die
Turn my head up
Looking at the stars
So many years
I still wonder where you are
Dust myself up
And I scream at the sky
It's been so hard
And I ask myself why
Turn my head up
Looking at the sun
Waited so long
It's time to move on move on
Look at the sun
Look at the sky
Another day another sign
And every moment is precious
And everything will turn to dust

Dust myself up
And I scream at the sky
It's been so hard
But I can't let it die
Turn my head up
Looking at the stars
So many years
I still wonder where you are
Dust myself up
And I scream at the sky
Every day I ask myself why
So much pain pouring
From inside
Above me I feel the spirit fly
