Material things can't conquer me
Matter nothing to me, only your soul can be free
When we connected spiritually
I feel you never went away from me

Waking up and I freak
Now it's so hard to breathe
Blood, sweat and my tears
Make the fear disappear

Now that you are gone
I try staying strong

All these painful years
All these fallin' tears
Will never bring you back
Bring you back to me

I know one day, I'll see you again
I know this can't be the end
I know you'll be there waiting for me
Waiting for me

Carry on
Stay strong
Carry on

Now that you are gone
All these painful things
They make bleed inside
I try staying strong

I just want to see you
I just want to see you
Dana, Moses
Watch me, watch me

Oh, God, take the pain away
I'll give you my life instead
Oh, God, take the pain away
For you, my life I'll trade

Waking up and I freak
Now it's so hard to breathe
Blood, sweat and my tears
Make the fear disappear

Now that you are gone
I try staying strong

Carry on
Stay strong
Carry on
