Spreading terrorism through the music
Rebelling against all this bullshit
Fire is the heat that burns deep inside
Raging and out of control

Spreading terrorism through the music
Rebelling against all this shit
Energy in the purest form
Controlled chaos, bring it on

Confront and destroy
Confront and destroy
Confront and destroy
Confront and destroy

Spreading terrorism through the music
Rebelling against all this bullshit
Urban guerrillas on the front line
Arm in arms, bring it on

Confront and destroy
Confront and destroy
Confront and destroy
Confront and destroy

Rise, rise, rise, above this bullshit
Rise, rise, rise, above this bullshit
Night will come and I will follow
For my victims no tomorrow
Non-conformity in my inner self
Only I guide my inner self
Rise, rise, rise, above this bullshit
Rise, rise, rise, above this bullshit

Bring the pain to the motherfuckin' pit, kill
Bring the rage to the motherfuckin' pit, kill
Bring the shit to the motherfuckin' pit, kill
Bring the pain to the motherfuckin' pit, kill
