I don't want you and I don't need you
Don't bother to resist, or I'll beat you
It's not your fault that you're always wrong
The weak ones are there to justify the strong

The beautiful people, the beautiful people
It's all relative to the size of your steeple
You can't see the forest for the trees
And you can't smell your own shit on your knees

There's no time to discriminate
Hate every motherfucker
That's in your way

Hey you, what do you see
Something beautiful, something free
Hey you, are you trying to be mean
If you live with apes, man, it's hard to be clean

The worms will live in every host
It's hard to pick which one they eat most
The horrible people, the horrible people
It's as anatomic as the size of your steeple

Capitalism has made it this way
Old-fashioned fascism
Will take it away

Hey you, what do you see
Something beautiful, something free
Hey you, are you trying to be mean
If you live with apes, man, it's hard to be clean

There's no time to discriminate
Hate every motherfucker
That's in your way

The beautiful people, the beautiful people
The beautiful people, the beautiful people
The beautiful people, the beautiful people
The beautiful people, the beautiful people

Um, dois, tres

Hey you, what do you see
Something beautiful, something free
Hey you, are you trying to be mean
If you live with apes, man, it's hard to be clean

Hey you, what do you see
Something beautiful, something free
Hey you, are you trying to be mean
If you live with apes, man, it's hard to be clean

The beautiful people, the beautiful people
The beautiful people, the beautiful people
The beautiful people, the beautiful people
The beautiful people, the beautiful people
