I'm out of sight
You think you're free
Out of my mind
Where can you be?

You say you're sorry
You were only with a friend
I know I worry
But it happens again and again

You say it ain't so
And I deny
I ever asked you to go
You say it ain't so
I want to believe
you won't deceive me anymore

Sooner or later
I give up this life
Wish I could hate you
God knows I've tried

How can you tell me
There's nothing to be said
When you took my money

Well that I night I died
Laying in your bed
