Baby, I think of you
Think of you a million times a day
Baby, I, I cannot
I cannot get you outside my head

Maybe I'm crazy and if so it's 'cause of you
All that I know is I belong to you, oh, baby

I want your love, I need your love
Gimme your love, gimme your love
Baby, and I want your love, I need your love
Gimme your love, gimme your love, gimme your love

Baby, I realize
You could take complete control of me
I don't care, anywhere
Anytime is fine, it's cool with me

Maybe I'm crazy and if so it's all 'bout you
All that I know is I belong with you, oh, baby

I want your love, I need your love
Gimme your love, gimme your love
Baby, and I want your love, I need your love
Gimme your love, gimme your love, gimme your love

Night after night, dream after dream
You're there inside of my heart
Day after day, there's no escape
I want you inside of my arms

Baby, I gotta be
Gotta be the only one you see
Tell me, boy, what you need
I will be providing everything

Maybe I'm crazy and if so it's all 'bout you
All that I know is I belong with you, oh, baby

I want your love, I need your love
Gimme your love, gimme your love
Baby, and I want your love, I need your love
Gimme your love, gimme your love, gimme your love

I want your love, I need your love
Gimme your love, gimme your love
Baby, and I want your love, I need your love
Gimme your love, gimme your love, gimme your love

Baby
