Soul for Real (x4)

Dark Days, lonely nights
Visions of you by my side
Keep me so hypnotized
Knowing that you™ re not here in my life
Makes me crazy

Chorus

I get so crazy
My baby won™ t let me inside of her heart
And it™ s tearing me apart
Baby I don™ t know where to start

I can™ t sleep girl when you™ re not around
I got this pain ~cause you bring me down
And you break my heart
Should of know this from the start
Ohh lady you make me crazy baby
Crazy crazy crazy baby

Chorus

I get so crazy
My baby won™ t let me inside of her heart
And it™ s tearing me apart
But baby I don™ t know where to start

And after waiting
Waiting for so long
For someone like you for me
There™ s no mistaking
My love for you exalts strong
And you™ re the one for me can™ t you see
That the reasons why I love you
And there is no one above you
~Cause you do what you do when you do what you do
to me

Chorus (x2)

I get so crazy
My baby won™ t let me inside of her heart

And it's tearing me apart
But baby I don't know where to start
