I must have rehearsed my lines a thousand times
Until I had them memorized
But when I get up the nerve to tell you the words
It never seems to come out right

Only you knew how much I do
I do love you
If only you knew how much I do
I do love you

I dream of romance we shared but you're not
there
I'm living in a fantasy
No, you don't even suspect, you probably care
less
About the changes I've been going through

If only you knew how much I do
I do love you
If only you knew how much I do
I do, I do love you

Oh, you don't even suspect
You probably care less
About the changes I've been going through

If only you knew how much I do
I do love you
(Lady I do, lady I do, I do, I love you baby)
If only you knew, how much I do
(If only)

I do love you
(Cause I love you babe)
If only you knew
(I must have rehearsed my lines baby about a thousand
times)
How much I do, I do love you

Tell me what you wanna do
'Cause I'm in love with you
Baby, oh tell me what you wanna do

'Cause I'm in love with you

I believe in love

Girl, there's nothing more precious than being in love

I believe in love

I can't sleep, tossing and turning

Girl, you're all I'm thinking of

I believe in love

Baby, baby, baby, baby yeah

I believe in love

Girl, if only you knew

How much I really love you

If only you knew how much I do

I do love you

If only you knew how much I do

I do love you
