So long... so long
I don't know where to begin
I'm waiting, and waiting
For all this shit to leave me
So weak, not strong
But I will find the strength to
It's over, so over just listen closely

I said I
Won't lay down and die
As you crucify me
Cause I know I
I'm not ready to die
Not ready to die
I'm not ready to

I'm bleeding, I'm bleeding
The blade is sinking deeper
I'm dying, I'm dying
And you just don't fucking care

I'm tired, so tired
But I will find the strength to
It's over, so over, just listen closely

I said I
Won't lay down and die...
As you crucify me
Cause I know I
I'm not ready to

I'm not ready to
Fucking bleed for you
Still not ready to
I'm not ready to die
Ready to die

I said I
Won't lay down and die
As you crucify me
Cause I know I
I'm not ready to die

Not ready to die
Iâ€™m not ready to
