It's time to die
So say your goodbyes
Your mortal life
Is close to over
Immortal dreams
Of ages it seems
In your final screams
Your eyes will open

Your crying as your dying,
And this hunger... it kills you

Eternal pleas
This blood lust in me
Terrors of night
Are far from over
Immortal pain
It thrusts in your veins
Drink death of me
And live forever
And live forever

Your hunt begins
Your animal within
Compassion dies
And now it's over
First dusk to blood
Your hunger overruns
This kill will be
To feed on ecstasy

She's crying as she's dying
And this hunger... it kills you

Eternal pleas
This blood lust in me
Terrors of night
Are far from over
Immortal pain
It thrusts in your veins
Drink death of me
And live forever

And she's crying... She's dying
And this hunger... it kills you

Eternal pleas
This blood lust in me
Terrors of night
Are far from over
Immortal pain
It thrusts in your veins
Drink death of me
And live forever
