No I don't have the time
To skull fuck your mind
We're just headed for the big time
AssureÃ¢â€šÂ¡ assure that you're there
Horns in the air
Screaming we're headed for the big time
We arrive in limousines
Titty girls scream
You know we're headed for the big time
AssureÃ¢â€šÂ¡ assure that you're there
Horns in the air
Screaming we're headed for the big time
ReleaseÃ¢â€šÂ¡ set yourself free
Rock shit with me
You know we're headed for the big time
AssureÃ¢â€šÂ¡ sure that you're there
Horns in the air
Screaming we're headed for the big time
Yeah we're headed for the big time
