Herpes and hemorrhoids  
These are the things, you remind me of  
Yoodlay-yoodley-yoodley-hi-hoo  
You're a pest you're a pineapple in my yoo-hoo  
Really really really don't wanna talk to you  
I can not take any more

Getting no response to my sarcastic comments  
Talkin' 'bout PMS and my lesbian lover  
Sorry gotta go you see, my house is on fire  
I can not take any more

Annoying  
No-no-no-no-no-no-no-no-no-no-annoying  
Y-y-y-you're so annoying  
F U C K O F F  
Oh god boy you feel so annoying  
No-no-no-no-no-no-no-no-no-no-annoying  
Is this a piece of your brain  
I can not take any more

Listen, listen sucker  
I'd rather hang  
With Woodie-woodpecker  
Badaboom badabam badaboomboom POW!  
Don't need to hear about your stamp collection right  
now  
Gotta make a run for it  
Where's the nearest window  
I cannot take any more

Annoying  
No-no-no-no-no-no-no-no-no-no-annoying  
Y-y-y-you're so annoying  
F U C K O F F  
Oh god boy you feel so annoying  
No-no-no-no-no-no-no-no-no-no-annoying  
Is this a piece of your brain  
I can not take any more  
(I'm telling you for the last time  
Punch you with a hitline)
