Struggling with hystericality
I feel so calm
Building up, building up
Are you tryin' to piss me off?

You, you
Wanna test my patience do you
You, you

Testing all my weaknesses
Exactly where to press
Scratch my back you whip mine
Ripping off intelligence

You, you
Wanna move a mountain do you
You, you

I wanna feel you under my skin
Taking you in
And you-u-u keep testing me
You wanna see what I can do

I'm hyperventilating
Ha, ha, ha-haa
I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool
Ha, ha, ha-haa
Ha, ha, ha-haa
I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool
Oh eh

Juggling with emotions
Wanna take a shot at me?
I'm the bearded lady at the circus
Freakish as can be

Your normality's got nothing on me

You, you oh

You try to make me keep my cool just like I should

Cause any other way this messed up mamacita's gonna freak you up real good

I'm hyperventilating

Ha, ha, ha-haa

I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool

Ha, ha, ha-haa

Ha, ha, ha-haa

I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool

Ha, ha, ha-haa

Ha, ha, ha-haa

It feels so good I'm chemically crazy in love with you

Ha, ha, ha-haa

Ha, ha, ha-haa

Oh what a royal drag someone give me a paper bag, yeah

Hmmmm oh

I wanna feel you under my skin

And you keep testing me, you wanna see what I can do

I'm hyperventilating

Ha, ha, ha-haa

I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool

Ha, ha, ha-haa

Ha, ha, ha-haa

I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool, I'm cool
