Ad lib intro

Verse 1

if it's teaching that you need  
then i hope that you can see  
time is not a shadow  
if you can stand the test of time  
then i hope that you can find  
the truth that you've been searching for

Chorus

make everything just rite x4

Verse 2

there will always be a fountain  
as big as a mountain  
where the flow of love will grow  
just to capture all this pleasure  
as much as you can measure  
will take something to know

Chorus

make everything just rite  
make everything alright  
make everything just rite  
(repeat)

Bridge is not a shadow

keep it up  
you got to keep it on  
keep it on the ground  
move on keep on moving  
jazzie b groove on  
jazzie  
the vibes alive on which we thrive  
doctor fish is our favourite dish  
which rely on to be strong  
just to carry on doing what  
we do best i guess just to keep  
rick in check and make sure you  
watch every step you take  
to make everything all right  
like a peaceful world in the sunlight

Verse 3

now if you put your hands in mine  
we'll stand the test of time  
and you know our love will grow

just like the hands of time  
our love will always shine  
shine on through the night  
Just rite x8
