Keep on moving, don't stop like the hands of time
Click clock, find your own way to stay
The time will come one day
Why do people choose to live their lives this way?

Keep on moving, don't stop, no, keep on moving
Keep on moving, keep on moving, don't stop, no
Keep on moving

It's our time, time today, the right time is here to stay
Stay in my life, my life always, yellow is the colour of
sunrays
I hide myself from no one, I know the time will surely
come when
You'll be in my life, my life always, yellow is the colour
of sunrays

Keep on moving, don't stop like the hands of time
Click clock, find your own way to stay, the time will
come one day

Keep on moving, don't stop, no, keep on moving
Keep on moving, keep on moving, don't stop, no
Keep on moving

I know the time, time today, walking alone in my own
way
Extreme cold and rainy day, friends and I have fun
along the way
Yes we do! I hide myself from no one
I know the time will really come when you'll be in my life
My life always, yellow is the colour of sunrays

Keep on moving, don't stop like the hands of time
Click clock, find your own way to stay, the time will
come one day
Yes

Keep on moving, keep on moving, don't stop, no
Keep on moving
Keep on moving - the time will come one day

Keep on moving, don't stop like the hands of time,
Tick tock, find your own way to stay, the time will come
one day

Why do people choose to live their lives this way?

Oh why do they choose to live this way?

Keep on moving, keep on moving, don't stop, no
Keep on moving...

The time will come one day...
