When I step into the room automatically assume that im
sitting on alot
of money.

Gotta vallet park da car as I walk in like a star dropping
jaws like i got a ferrarie.

I got my Louie on deck, Marc Jacob on my neck,
watch ya mouth If ya coming for me.

Cuz I'm putting on my shades if you wanna go for days
so step back cuz
I'm playing dirty

Hook:

U can try, to deny, that I'm fly tonight
Concentrate on ya hate if u wanna fight

Get in on the floorx2
Bring it down low
Den ya pick it up slow

You see me on da corner looking like you really wanna
take trip to myplace of business.
If we go Im gonna show you things you never seen
before,
they not even in the book of Guinness.

You want A little bit of this or a little bit of that take your
pick you
ain't gotta worry.
Do you wanna throw the pitch, or u wanna swing the bat
make it quick
Cuz I'm in a hurry
