I think I wanna be your rock star  
Wanna, wanna be your rock star  
Rock star, I think I wanna be your rock star  
I'm a pop star, yeah, living the life of a rock star  
I'm a pop star, living the life of a rock star

I see you looking at me like I'm in a movie  
And you wanna know  
if I can make you feel like you are one of my groopies  
Can take you on a road?  
Now don't be ... like them chickens with the...  
Who don't be letting go!  
I want a Shawty who can get a little freaky  
...some rock'n roll

Give me life now, baby, be my stand  
I'm your rock star baby, you're my band!  
So won't you, let me hit that, let me get that  
payback...reposes my mind  
I know I gotta get back!  
On the right.. gotta attack  
I can't afford to relax  
Everybody waiting for my...

Chorus:  
Pop, pop, pop star baby  
Rock star life!  
So if you try to knock, knock it baby  
Till you've been tried!  
Cause in the end  
Different cities, new Mercedes,  
Meeting all types of ladies  
And getting crazy, high!  
Cause I'm a pop, pop star baby!  
Rockstar life, yeah!

I never thought about the meaning of addiction  
Until it was too late!  
Now I know many could tell what really affliction is  
Reality is often fake!  
Caught up in glit and glam, but don't have no direction

Can't tell my left from right  
Smoking mirrors cover up my actual reflection  
Can you show me the light?

Chorus:

Give me life now, baby, be my stand  
I'm your rock star baby, you're my band!  
So won't you, let me hit that, let me get that  
I'm on a mission attack  
Gotta get this money so I never ever have to look back  
Can't go back, won't do that, cause I can live in the past  
Only thing I wanna do is hit the stage and make it last!

Chorus:

Pop, pop, pop star baby  
Rock star life!  
So if you try to knock, knock it baby  
Till you've been tried!  
Cause in the end  
Different cities, new Mercedes,  
Meeting all types of ladies  
And getting crazy, high!  
Cause I'm a pop, pop star baby!  
Rockstar life, yeah!

I think I wanna be your rock star  
Wanna, wanna be your rock star  
I think I wanna be your rock star  
Wanna, wanna be your rock star  
I think I wanna be your rock star  
Wanna, wanna be your rock star

Chorus:

Pop, pop, pop star baby  
Rock star life!  
So if you try to knock, knock it baby  
Till you've been tried!  
Cause in the end  
Different cities, new Mercedes,  
Meeting all types of ladies  
And getting crazy, high!  
Cause I'm a pop, pop star baby!  
Rockstar life, yeah!

Don't get caught up in that lifestyle baby,  
cause it's not always what it seems!
