Her neck and her back hurting

Cut throat I'll have you like a brand new version

It's like when she get used of it then you start serving

Hop up on top and start jicky-jicky jerking

Slow down for me you moving to fast

My fingers keep slipping I'm trying to grip that ass

Keep being hard headed and Ima make you get on me

Got human up disguise but my face is a doggy

If you loving my bark let me bury my bone

I got 4 or 5 bad merry bitches at home

One of my bitches fell in love with that outside dick

That outside dick keep them hoes sick like

[Chorus]

[Verse 2: Juvenile]

It's like I got the world in my palms

If you going through your cycle I ain't with It I'm gone
