Lose Control
Everyone s in troubled times
It's right for you to let go
The stress, the mess that broke your soul
Take Control
It's your night to be someone else
So put on your face and smile to the fake
This is the time this is the place for
Life
(Chorus)
Let it begin tonight
Life
Let it begin
I'll sleep when I die
There's not enough of this life
I promise to myself I'll never be good
Never be good, never be

Tonight I'm misbehaving
The goal is to hurt myself until I feel my blood begin to
boil over
Make it mine
Take control
It's your night to be someone else
So put on your face and smile to the fake
This is the time this is the place for
Life

(Chorus)x2
Let it begin tonight
