Visit "[New Frontier](#)" on MotoLyrics.com

I've got to leave when the summers are so long  
Set out on a new frontier  
Still a ways to go  
Believe in myself this time around  
Step out to an endless void with no place to go  
I'll be fine, I'll be fine, I'll be alright

(Chorus)  
Say you know this time I'm on my way  
No time to reason  
Say you know this time I'm on my way  
No time for reason

I've got to believe every word I say  
Let got of the broken down  
Find a place to be  
To leave and find a better way  
To get back to my life  
To get back to me

(Chorus)  
I Need to move on  
(Chorus)
