Lost, In the day, In a way
Its the same as the one before this
and i wish, I could say
that its all black and white
But its gray, Its the same, its the same
And i'm so tired but you are what im comin home to

Oh im thinkin' 'bout a red wine, buzz and takin' it easy
and i got you in my arms, Takin' a break from crazy

And I'll say hey,
You'll say baby, Hows your day
I'll say crazy,
But its all gonna be alright,
You'll kiss my smile,
I'll pull you closer,
Spend awhile just gettin' to know ya,
But its all gonna be alright,
Loving you tonight,
Ohh Ohh Yeaah,
Loving you tonight,
Ohhh Ohh, Yeaahh

And you are there
In my heart, at the start
of my my every morning
and i can't deny, by the end of the day
that I'm runnin' on empty
But you make it full, Steal my breath
You're so unpredictable,
That's what I'm comin home to

Oh I'm dreamin' 'bout a romance , slow dancin' with
you
When i got you in my arms, Then i don't care what we
do

Cos I'll say hey
You'll say baby, How's your day
I'll say crazy
But its all gonna be alright
You'll kiss my smile

I'll pull you closer
Spend awhile just gettin' to know ya
But its all gonna be alright,
Loving you tonight
Ohh, Ohh, yeaah.
Loving you tonight
Ohhh, Ohh, Yeaah

Cause' everyday is just the in between
the hours separating you from me
i know you'll be waiting,
I know you'll be waiting

And I'll say hey
You'll say baby, Hows your day
I'll say crazy
But its all gonna be alright
You'll kiss my smile
I'll pull you closer
Spend awhile just gettin' to know ya
But its all gonna be alright,
Loving you tonight,
Ohhh, Ohh, yeaahh
Loving you tonight,
Ohhh, Ohhhh, yeaah
Loving you tonight,
Ohh, ohhh, yeaahh
Loving you tonight,
Loving you tonight.
