Well I know that in this life I'm leading
Everything comes back to you
And I know that you'll be with me till the end
And I feel that special something, something,
some things can't explain
Like a summer rain
Can you smell that summer rain

But have I told you lately woah
I'm in love with you
Have I told you lately woah
I'm yours
If all you wanted was a raindrop
I'd give to you the ocean for my love
Oh for my love woah yeah

Now I see that in these hands I'm holding
The very heart I love
And I see the promise made from both of these
Oh and I see the well laid path ahead for just another
day
And we'll walk this way
Oh lets just run away

Have I told you lately woah
I'm in love with you
Have I told you lately woah
I'm yours
If all you wanted was a raindrop
I'd give to you the ocean for my love
Oh for my love

And I had a little daydream yesterday
Read the news it said you went away
Felt a little like drowning myself in the ocean or
raindrops yeah
And when the world I know came back to view
I resolved to take every chance with you
In case my daydream comes true before I say to you
I'm drowning in your raindrops

And have I told you lately woah

I'm in love with you
Have I told you lately that I'm yours
If all you wanted was a raindrop well
I'd give to you the ocean for my love
Oh for my love

And have I told you lately woah
I'm in love with you
Have I told you lately woah
I'm yours
If all you wanted was a raindrop
I'd give to you the ocean for my love
Oh for my love
Oh for my love
Oh for my love
