One more night,  
If all I had to give  
Was one more night with you

You'll take a photograph of me,  
And then you'll see  
I'll take a photograph of you,  
But you are cuter than me  
We'll take a photograph,  
Of both of us right here right now  
We'll make the time stand still  
And we'll have

One more night,  
If all I had to give  
Was one more night with you  
'Cause if one more night,  
Was all we had  
Then I'd want one more night  
To be two

I'd write a silly song for you,  
You'd say I'm sweet,  
You'd buy lemonade for me,  
I would say you are neat,  
We'd pretend we hear a sound  
When the sun goes down,

One more night,  
If all I had to give  
Was one more night with you  
'Cause if one more night,  
Was all we had  
Then I'd want one more night  
To be two

If all we have, and all we know,  
Is love we share, and love we show  
Then I'd want

One more night,

If all I had to give  
Was one more night with you  
'Cause if one more night,  
Was all we had  
Then I'd want one more night  
To be two,  
Yeah, yeah, yeah

'Cause one more night  
If all I had to give was  
One more night  
One more night to be two  
One more night to be two  
One more night to be  
One more night to two
