Always walkin', smilin', smirkin',  
Thinkin' he knows more about the other guy  
Watchin', learnin', hopin',  
Feelin' sorry for the person who forced you to cry  
Mama knows best but does she really know just what's  
Happening?  
What on earth made this kid so frightening?

You're just a stick in the spoke of my wheel,  
You don't care how the other people feel  
And if they should fall  
I'm pretty sure you wouldn't care at all.

Little boy cryin', hurtin',  
Wishin' you hadn't popped his prize balloon  
When he gets bigger, better watch your back  
Because it's you he'll tune  
Are you mad at the world?  
All the people painting favorite colors  
But it is you who swirled

You're just a stick in the spoke of my wheel  
You don't care how the other people feel  
And if they should fall.  
I'm pretty sure you wouldn't care at all
