DAVID JASSY:

I'm bout to put you in the zone with it
Soon as you get in my crib
We gonna get on with it
I'm gonna introduce you to the doggystyle
But first I wanna see you bellydance for a while
I love your figure when you wiggle in your click clack
And when you strip that
You know I'm gonna tip that
Rip that shit off hit you up from the rear
To the sounds in the background of ---affair

VICKY:

Hope you're home alone cause I'm
Feeling kind of hot tonight
You got what I want
Unlock the door I'm coming over
It's your lucky night
You got what I want
I'll make you say oh imma make you
Feel so good tonight
You got what I want
Meet me at the door I'm coming over
Dim di dim di dim dim the lights

How you doing what you doing
Who are you with
Hope you're home alone tonight boy
Cause I'm thinking about what we
Could be doing
If I was there with you tonight boy
Are you curious
Stay where you are I'll be there and
I'll show you what I'm talking about
Do you think I'm scandalous
Then you should see what I'm wearing
Underneath my trenchcoat come on

Don't hold back show me
How much you want me
Kiss and touch every inch of my body

Once you're close to me you won't be sorry
Brace yourself cause we're gonna have a party
Just the thought of you makes me feel naughty
I will not refuse you when you call me
I'm coming to you get ready for me
