[jD][Chorus]

Queens bridge welcome to my hood  
IÂ'm a show you all whatÂ's really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer  
Red Fern welcome to my hood  
IÂ'm a show you all whatÂ's really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer

[jD][Verse1]

Welcome to the bridge  
To my borough my building  
To the place catch a case court date for drug dealings  
Turn the page  
Journey through the streets of the Queen  
From Chi city to the flooded streets of Saint New  
Orleans  
Subway cars  
Hollis Park  
Adolescents in Deville's busting shots at different  
bloods  
Claiming different sets  
Banging different cards  
In different parts of the large apple  
Queen of spades,  
Learned to walk and talk inside the Devils lasso  
Jakes patrol the city blocks posted on the avenues  
Bloomberg gave the go ahead caging us like animals  
Walls painted pistol  
Let off a black haze  
Sean Bell shot 50 times they thought they'd get away  
This is my hood  
Q-U-E-E-N-S  
From Sunny Side to the Gardens  
Elmhurst and all the rest  
Italian IcesÂ' crazy crack the hydrants in the hood  
Back to the block I wouldnÂ't leave if I could  
So welcome

[jD][Chorus]

Brownsville welcome to my hood  
Iâ€™m a show you all whatâ€™s really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer  
LES welcome to my hood  
Iâ€™m a show you all whatâ€™s really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer

[Oplus][Verse2]

Welcome to my hood  
To my city my land  
To the place were the law roll up in the vans  
And try to can us  
Journey through the streets of the Chi  
From CA to NY  
Hustling no the system donâ€™t understand us  
Soldiers be concealing there hammers under  
bandanas  
Legends are apprehended for antics on city cameras  
Go for broke or go bananas  
You know the game  
Try to rise above it but your Souls In Chains  
My soul remains  
United with the struggle to grind  
The under dogs try to do right but struggle with crime  
It troubles my mind

The righteous living in the city broke  
Where all the ghetto children got to live as adults  
This is my hood the streets that made me crazy  
The same avenues that raised me cradled me as a  
baby  
Maybe Iâ€™m created to save the hood  
Back to the block I wouldnâ€™t leave if I could  
So welcome

[jD][Chorus]

Cabrini Green welcome to my hood  
Iâ€™m a show you all whatâ€™s really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer  
U Dub welcome to my hood  
Iâ€™m a show you all whatâ€™s really good  
Welcome to my hood  
Death in the air  
If you want to live you got to say a prayer

[jD][Verse3]

Welcome to our hood to our areas  
Our gutters and our ghettos  
Three digits and a skyline representing where we step  
through  
Walk the blocks  
Chuck Taylors on the cement  
Laced up packed from the waist up  
Stacking bricks of cheap meth  
Supreme Team McGriff  
Fat Cat  
The dream team  
Oral addicts serve the fix  
The city the grind low ranks on the lookout  
The blue ride by smoke a pig like a cookout  
Cumulate the criminals  
Subtract um' by the church goers  
Square root the sum, Sad to say it but the perp's potent  
Vernon Ave. with the .40s smoking  
Homie got shot rough no love  
Affiliate with the filthiest dealiest baddest bunch  
In my city  
Great walls divine  
Puerto rocks from the Spanish blocks  
Russians from the east side  
The first Italian Polish Germ representing what's good  
QB A to F all day all hood

[jD][Chorus]

Death in the air  
If you want to live you got to say a prayer
