I'll let the coin toss figure it out if that's alright
I can't be bothered with the affairs of the heart
When I'm trying to ruin my life
Place your money down to beat the spread
You give me more credit than you should ever invest
And if it's bad luck that suits us
Then I'm one of a kind

The king gets his aces cracked my good name's no
good anymore
Awareness is leaving me but I don't miss is it, I don't
know
I'm not wanted I reckon
I reckon, I reckon whoa

It's not necessity that kept you around of that I'm sure
Unless you need to keep falling apart then I'm your
safest bet
We've been counting cards trying to win
I lost more dignity then I had to spend
And if it's bad luck that suits us
Then I'm one of a kind

The king gets his aces cracked my good name's no
good anymore
Awareness is leaving me but I don't miss is it, I don't
miss it
You can't take me anywhere my good name's no good
anymore
The king gets his aces cracked and I don't miss it, I
don't know
I'm not wanted I reckon
I reckon, I reckon whoa

The king gets his aces cracked my good name's no
good anymore
Awareness is leaving me but I don't miss is it, I don't
miss it
You can't take me anywhere my good name's no good
anymore
The king gets his aces cracked and I don't miss it, I

don't know
I'm not wanted I reckon
I reckon, I reckon whoa

Tonight I am ending the world
Tonight I am ending the world
Every night I am ending the world
This is my great reckoning
