I have control of a history untold
(It begins with the father of sin)
I walk alone in the garden of stones
(I turn into the monster within)
Life is too long for me
Life is too wrong for me

('Cause there's something that)
I realize that I miss being human
I realize that I miss being human
(Nothing's like it)

I lose control as the story unfolds
(I have been like a knife to bare skin)
I walk alone like a king with no throne
(I burn up from the monster within)
Life is too long for me
Life is too wrong for me

('Cause there's something that)
I realize that I miss being human
I realize that I miss being human
(Nothing's like it)

I like hunting the pieces
I like hunting the pieces
I like hunting the pieces
'Cause I have come to need this
I like hunting the pieces
I like hunting the pieces
'Cause I have come to need this
Shell

(Cause there's something that)
I realize that I miss being human
(Cause there's something that)
I realize that I miss being human
(I teach lies)
That I miss being human
(I teach lies)
That I miss being human

(I teach lies)
