Damn the long distance phone call making a bastard of
me
I don't want to relive the lost child story

Cameron is pushing her Jesus
Maybe she needs to believe 'cause nobody sticks
around
Everybody leaves

55 pictures on the wall
I still don't have the guts to call
Everyone moved away and we grew up
Slamming the big door shut

55 pictures in your room
A 100 chances that you blew
If only these pictures could say, "I miss you"

Jersey to Memphis the long way
Gripping the wheel 'til it bleeds
Searching the mind for the family tree

Cameron is taking the blindfold back to the ignorant
sea
Maybe your Jesus could come save me

55 pictures on the wall
I still don't have the guts to call
Everyone moved away and we grew up
Slamming the big door shut

55 pictures in your room
A 100 chances that you blew
If only these pictures could say, "I miss you"

55 pictures on the wall
I still don't have the guts to call
Everyone moved away and we grew up
Slamming the big door shut

55 pictures in your room

A 100 chances that you blew
If only these pictures could say, "I"
If only these pictures could say, "I"
If only these pictures could say, "I love you"
