I never wanted to get you down or start you up  
I tried to bet on your winsome frown with sad Irish luck  
I never thought you would wake me up and take me out  
I wanted to feel anything from you  
Even a handsome doubt

All I wanted was going home  
All they gave me was Louisville  
I don't want love or conquered Rome  
Just your voice and a sleeping pill  
Louisville  
Louisville

I'm gonna trade in Friday nights for a piece of your  
heart  
Me  
You and bourbon beating down in Echo Park  
I never wanted to keep you up or leave you alone  
Cell phones and stars only tease you  
They never take you home

All I wanted was going home  
All they gave me was Louisville  
I don't want love or conquered Rome  
Just your voice and a sleeping pill  
Louisville  
Louisville

I wanna make up my mind  
I wanna waste all your time  
I'll be forever your thief  
You sweep me off my feet  
My feet

I never wanted to get you down or start you up  
You know you could turn my luck around with a touch

All I wanted was going home  
All they gave me was Louisville  
I don't want love or conquered Rome  
Just your voice and a sleeping pill

Louisville  
Louisville  
Louisville  
Louisville

Louisville  
Louisville  
Louisville  
Louisville

Louisville  
Louisville  
Louisville  
Louisville

Louisville  
Louisville  
Louisville  
Louisville
